24th Year

2007

May 2, 2007

This show season is flying by, summer is almost here. We only have one show in DeRidder and we hope that everyone can make it. We are planning a "General Membership Meeting" during the lunch break to cover both old and new business; this meeting is not the change rules or add classes.

The T-shirt design will be available to view at the May show for the members to order, remember that June, July and August are SSRC T-shirt shows, it is Ok for you to wear the club shirt for the year at that show.

Everyone seems to be enjoying the shows this year, as officers we ask that you remember arena etiquette. If you are on a young or green horse and you are having trouble with horse, please pull to the inside and off of the rail. This will help those on the rail from having to avoid crashes. If you are a beginner rider we have classes for you too. We will ask our judge to dismiss any horse/rider combinations that are a danger in the pen, this is not point fingers but to keep the general classes safe.

Its time to start getting your Class Sponsors, we will have an earlier deadline this year and if the classes are not sponsored by this time a penalty will be given to the member.

Thanks again for supporting our club. Remember " 2008 will be our 25th Anniversary". What an awesome club..

Renee Jordan

ATTENTION:

Vickie Voltz (an SSRC member) will be hosting a Clinic.

"Building a Trail Horse Through Better Horsemanship", the clinic will be May 8, 15, 22 at 6:30 PM, Montgomery County Fair Park. The clinic is limited to 20 riders at \$35.00 per rider. Call 936-539-7822 for more information.

SSRC Youth Report

**By: Sarah Seaman
Youth Secretary**

The 2007-2008 SSRC youth officers are: Lauren Dale - youth president, Madison Jenkins - youth vice president, Sarah Seaman - youth secretary, Michala Seaman - youth treasurer, Ralynn O'Brien - youth ??????. We held a short meeting during lunch at the April show.

SSRC youth will provide a "fun fundraiser" each month. This money will not go to the general fund, but will be used to benefit the youth of the club.

The youth officers have earned \$56 from the April Fun Fundraiser which was a Cake Walk. We had 8 happy people go home with deserts to delight their family.

Next month, the May show, our fun fundraiser will be a Boot Race. There will be a tarp at the far end of the arena. Participants will take their boots off and they will be placed on the tarp. When they say "Go" the participants will run down to the other end of the arena, find their boots, put them on and run back to the other end of the arena. The first person back will win a FUN prize.

Please plan ahead to participate and help our SSRC youth. Be sure to bring a spare pair of socks !

HAVE FUN !

From the President.....

Our show is going great this year; very few problems, lots of folks having fun with their horses and it appears happy members.

We are truly blessed with our judges this year. In April, we had a world show judge that travels the world to show. In March, we had a registered judge that was well liked by everyone. We have several more judges scheduled that are a world judge caliber and are happy to come to our open show. They are always very complimentary of our club and always want to come again next year.

We are winding up our SSRC Cookbook Fundraiser so if you have any recipes that you want to provide, please get them in at the May show. This will be the last show that recipes can be accepted. Our cookbook will go off for publication in June. We will have pre sale forms available at the May show. These would be good to get to your local feed stores, tack shops, etc...The person with the most pre sale orders may win a free gift.

2006 SSRC Slide Show including all Fall Fest Pics on CD are available for \$5.00 each. Place your order at the table. May is the final month to order your CD.

Don't forget - we have SSRC classified ads that can be put in our newsletter for free to members. If you have horses, tacks, etc - email me at rntwade1@hughes.net to get your add in the next newsletter.

REMINDER - General Membership Meeting during lunch break at May show.

See you at the next show! Terry
