Greetings SSRC Members !

It's a cool crisp morning as I write this letter to you...so different from the sweltering 90 degree days we've had lately. Makes you want to smile to think about horse showing...

I'd like to tell everyone what a super job you have done with sponsors this year...it has to be a record on how quickly members have gotten them turned in. Sponsorships help you as well as the entire club ! I do need to remind you of the 3 month deadline on getting your sponsors in. We have about 15 members who joined SSRC in January and February who are due to turn in sponsors by the May show. Please do this so that your acquired points will not be forfeited per the new rule for 2009. Members who joined in March, will have sponsors due at the June show; and if you joined in April it'll be the July show. Once all our classes are sponsored, we will list the additional sponsors as well, so don't worry. These sponsors will be called out throughout the day and listed on the website as well. All sponsors turned in by the May show will appear on the back of our club Tshirt.

Speaking of the T-shirt...the May show is the deadline for signing up for ordering a shirt. You may pay for them when you pick them up, so be sure to order. If you will not be at the May show, please email Tara Best with the number and sizes needed at bunatbest@msn.com by May 23rd.

To reserve a stall, RV, or shavings, please email me at jandmseaman@msn.com .

We WILL have the TRAINING WP CLASS again this month....everyone enjoyed it....this month it will be a WT class.

At lunch we will have a SHORT business meeting...I won't tie up much of your warm up time.

Have a GREAT WEEK and see you in DERIDDER !!!!

God bless,
michelle seaman

FROM: Jerry Martin... Applause to all of the officers and workers responsible for Saturdays show. Never I have I participated in such a large turn out for a horse show. Things went unbelievably smooth. Congratulations to Silver Spurs for a wonderful and enjoyable day.

 **From: Charlotte Martin** 

REQUIRED for ALL Alternative Points Programs - Copy of horse's breed registration papers; copy of horse's Alternative Points Program participation card; copy of showing individual's breed membership card. I'm not supposed to fill out any paperwork unless I have these items on file!!! REMEMBER: Paperwork should be filled out as COMPLETELY AS POSSIBLE by the owner/shower before turning them into to me - *I* will fill in my personal information, your placings and the number of entries per class, and the judge's name (I'll also check for Grand/Reserve if you've placed 1st or 2nd in Halter) - PLEASE, do not expect me to go through the cards to find which classes you've entered or fill the class names in on your paperwork. Also, remember, if I'm sending the paperwork directly to the Breed Association, you are supposed to include a Show Bill with your paperwork. And don't forget to include your fees (if applicable). If you've forgotten to include a STAMPED/ADDRESSED envelope with you paperwork, you OWN ME \$1.00! I apologize for getting so strict on this, but I filled out THIRTY individual sets of papers for the last show (with a few more to come). This is part of my responsibility and I do not mind doing this so that SSRC members can earn National points at our shows, but Please help me out by following these simple requests.

Dear Members,

This is 2009's secretary Jenna Best. I am reminding you we have the T-Shirt forms ready if you have not filled one. This months fund raiser is barrel roll. We will have the kids laughing, and the parents will get to have a silent auction. Remember June, and July are T-Shirt month so be sure to get your SSRC T-Shirt.

In Christ,
Jenna Best
